Wednesday 4 March 2020

05/2020

Dear Parents/Caregivers,

This is the start of a new era for our newsletters. If you are reading this, that means you have downloaded the Skool Loop app, or maybe you are on our new website, where the newsletters are stored.

Like many schools and businesses, we are trying to move to a 'less paper' environment. For our newsletters and notices, that means we will not be sending home anything on paper.

So welcome to the new age. We look forward to maintaining a high level of communication with our families.

**Proud to be a major sponsor
of Everglade Primary School.**

The Coronavirus situation continues to be at the front of the news. We receive advisory notices from the Ministries of Health and Education on a regular basis. Below is the latest that we have:

The existing travel restrictions for travellers from China and Iran have been extended for a further 7 days.

The Prime Minister also announced yesterday that measures are now in place for travellers arriving from Northern Italy and from South Korea. They will be asked to self-isolate for 14 days (calculated from the date they left South Korea or Northern Italy). They are still able to travel to New Zealand, there is no restriction of access to New Zealand for people arriving from these two countries.

The Ministry of Health has updated their Advice for travellers as a result of this announcement -

<https://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus/covid-19-novel-coronavirus-information-specific-audiences/covid-19-novel-coronavirus-advice-travellers>. In summary:

Category 1 – travellers who have been present in or transited through countries in this category are being asked to self-isolate for 14 days on arrival – currently **Iran, China, South Korea and Northern Italy**. Note for Iran and China, there are also restrictions in place for who can travel to New Zealand. New Zealand citizens, permanent residents, residents with valid travel conditions and their immediate family, will still be able to come to New Zealand. Australian citizens and permanent residents are also not subject to the travel restrictions if New Zealand is their primary place of established residence.

Category 2 – travellers from countries in this category should be aware of COVID-19 symptoms. **They do not have to self-isolate if well**. They should self-isolate if they develop any symptoms of concern and ring Healthline (0800 358 5453) if they develop symptoms within 14 days of departing the Category 2 country. Countries currently in this category are Hong Kong, Japan, Singapore, Thailand and Italy (noting northern Italy is in category 1) Please continue to refer to the [Ministry of Health](#) website and our [website](#), for further information.

Handwashing to prevent spread

All schools and early learning services are still in the Keep it Out phase of a pandemic plan. The **preventative measures** Health is encouraging schools and early learning services to practice are those of good hygiene, which include:

- Washing hands with soap and water before and after eating as well as after attending the toilet
- Covering coughs and sneezes with clean tissues or with an elbow
- Putting used tissues in the bin
- Encouraging staff and students to stay home if they are unwell

You will be aware that advice from Health asks everyone to wash your hands often and thoroughly with soap and water for at least 20 seconds, making sure you dry them thoroughly.

School Assembly is at 1.45pm tomorrow. All are welcome.

Pita Pit Lunch is available this Friday.
