## Mr Brown the Circus Clown

Mr Brown, the circus clown  
puts his clothes on upside down.  
He wears his hat upon his toes  
and socks and shoes upon his nose.

He ties his ties around his thighs  
and wraps his belt around his eyes.  
He hangs his earrings from his hips  
and stockings from his fingertips.

He puts his glasses on his feet  
and shirt and coat around his seat.  
And when he's dressed, at last he  
stands  
and walks around upon his hands.

## A Fish in a Spaceship

A fish in a spaceship is flying through  
school.

A dinosaur's dancing on top of a stool.  
The library's loaded with orange baboons,  
in purple tuxedos with bows and balloons.

The pigs on the playground are having a  
race  
while pencils parade in their linens and  
lace.

As camels do cartwheels and elephants fly,  
bananas are baking a broccoli pie.

A hundred gorillas are painting the walls,  
while robots on rockets careen through the  
halls.

Tomatoes are teaching in all of the classes.  
Or maybe, just maybe, I need some new  
glasses.
