10/2020

Dear Parents/Caregivers,

I hope the Queen's Birthday Weekend was an enjoyable time for all our families.

As we move on through Term Two, our original mantra "It's great to be back" has served its purpose. We have seen most Everglade pupils return to school, and enjoy getting back into the learning and social environment.

We continue to operate under Level Two conditions until further notice, and are focusing on keeping things as normal as possible. Each week, we are aiming to be
"Moving closer to full normal"

In each week's newsletter, we will let you know about the little changes we are making, as we work toward being at 'full normal' by the start of Term Three.

Moving closer to full normal

Getting to school on time.

Over the last two weeks, as pupils have returned to school, we have taken a fairly easy going approach to punctuality. As we continue to move forward, it's important that we get everyone lined up with the school bell times. From next week, we will be taking our normal approach to lateness, which means that any pupil who arrives after 8.55 am will be required to sign in at the office before going to class.

For most of our pupils, this is a 'no change' situation, as they are always at school on time. We are now looking for an improvement from a small percentage, so that all pupils are at school and in class at the beginning of the day.

Request to schools to place in their school newsletters/communications:

Kia ora,

During COVID-19 Alert Level 2, the Children's Community Dental Service has reopened some of its clinics for children with urgent dental care needs.

We will be in contact with you if your child requires an urgent appointment.

Alternatively, if your child is in pain, or you have immediate concerns about their teeth, please phone 0800 TALK TEETH to speak with one of our therapists.

We are not able to offer routine appointments just yet, but we will let you know as soon as this changes.

This means that your child's routine appointment may be delayed.

For more information, search for 'ARDS' on the Waitematā DHB website.

Thank you for your understanding and support during this time.

The Children's Community Dental Service.
