2022/18

Dear Parents/Caregivers,

Another term begins, and what a wet and windy start! Term Three takes us through Winter into Spring, and we look forward to seeing more calm and school-friendly weather as the weeks pass.

At the same time, we have plenty going on from the beginning of term, so once again we ask our families to make sure you keep up with our communications.

Toward the end of this term we look forward to presenting our 2022 Music & Dance production. There will be more detail on this coming soon.

Welcome back, everyone. We look forward to a fantastic term.

We hit the ground running with **Three Way Conferences**. These are being held on:

- Thursday 28 July (tomorrow) from 3.15 to 6.30pm
- Wednesday 03 August from 2.30 to 8.30pm

Note that **CLASSES WILL FINISH AT 2PM ON WEDNESDAY 03 AUGUST.**

Class teachers are messaging their families to encourage everyone to book a time.

Next week is **Cook Island Language Week**. One of the ways we will acknowledge this is with a **Cook Island Drumming Performance on Thursday 04 August**. This is one of our Visiting Performer events for 2022, so all who have paid the VP Charge are able to attend.

If you would like your child to attend this performance, and haven't yet made a payment, the one-off cost for this show will be \$8.00. If you would like to sign them up for the three remaining shows this year, the total will be \$18.00. If you don't wish for them to attend any performances, there is no charge.

One of the activities we undertake each year, as part of our PE Programme, is **Cross Country Running**. This is very much a winter sport, and classes will spend the next few weeks preparing for their Cross Country day. While there will be times that we will not be able to use the grass areas, wherever possible we will be having our pupils run on grass as this is part of what Cross Country is about.

While we take as much care as possible, the short message is that your child may come home with a bit of mud on their uniform or shoes over these next weeks. This may be a good opportunity to teach them about caring for and cleaning their clothing.

Does your child require further support, over and above what can be offered at school?

Would your child benefit from bespoke and nurturing learning sessions from a highly experienced teacher designed to accelerate learning and boost confidence? We would love to help. We are a team of dedicated teachers, specialising in English and Maths support, for primary, intermediate and college students. Visit www.boostyourlearning.co.nz for more information or contact Jenny 021 223 3349 to book a free consultation.

As we have mentioned previously, we are working on ‘building back’ to full operation. This is being done in a planned manner, with a focus on taking each step as it comes. However, if circumstances arise that are beyond our control, it may be that some of our plans have to be redrawn.

Time will tell!
