Wednesday 17 August 2022

2022/21

Dear Parents/Caregivers,

I want to say "Thank You" to those people who took the time to give us feedback on the Health Education Survey. The information we have received so far has been valuable, as we look to determine which aspects of the curriculum should have highest priority.

As a primary school, we don't tend to deal with Health Education aspects that are a bit more sensitive. However, some areas do generate a bit of opinion. As we have seen from the feedback, there is a range of views in some areas. While we are required to follow the NZ Curriculum in our learning programmes, we are also able to give consideration to the views of our local community. We will be doing that with the information you have given us.

The survey remains open until next Monday 22 August. Thank you for your time.

# ***'Dancing through the Decades'***

**Tickets go on sale.**

**This is a 'Heads Up' notice**

**Tickets for our 2022 Dance & Music Production go on sale from Monday 22 August.**

To be fair to all, we split our ticket sales into two stages.

On Monday, you will see a notice on HERO about Ticket Sales Stage One. In this stage, each family can purchase TWO TICKETS maximum. That means that in Stage One every family has the chance to get two tickets, as there will be enough to go around. It may not be possible to get your first choice of days, but there will be tickets for all three shows available.

Stage One will run for two weeks. After that, there will not be a guarantee that everyone will get tickets. We urge you to think about when you would be able to attend the show, and get tickets for that day.

**Performances are being held on:**

- **Tuesday 20 September 1.00pm**
- **Wednesday 21 September 6.30pm**
- **Thursday 22 September 6.30pm**

Stage One is the time to get tickets while they're guaranteed to be available.

Check out HERO next Monday for details.

## **Manurewa Tennis Club Opening Day**

Please join us on 20 August from 1.00pm onwards for our club Opening Day. There will be a sausage sizzle, on-court play, and afternoon tea. We are located at [31R Russell Road, Manurewa](#), just behind the croquet club.

There will be an opportunity to talk with our club coach and captain about tennis for children - a good sport for those who aren't into the rough and tumble of team court or field games but still wish to play sport and be competitive. The cost for a season is relatively affordable for the under 18s at just \$70pp for the whole season which includes 18 one-hour coaching sessions with our US-trained professional coach.

Feel free to pass this on to an AP, DP or sports leader as a school rep and please ask them to make themselves known to a committee member.

This day is also open to all staff and families and we'd love to see them.

## Well done, Netballers

Our Year 5 and Year 6 netball teams played in the Manurewa Zone Tournament last Monday. It is always a highly competitive event, and both our teams played several tough games. At the end of the day, they both finished in mid-table positions, which was a good performance.

We acknowledge the players in the two teams, and thank Mrs Petersen and Ms Allen for their work as coaches leading up to and on the day.

Players were: Mia Turu, Krystal Nadan, Shreya Prasad, Gemma Palmer, Argos Tubuka, Fiona Wilson, Runai Ionatana, Elana Puni Young, Aanvi Narayan, Aniya Ram, Ava Vaka, La'kya Filipo-Makatoa, Isabelle Singh, Alaenah Setu, Samantha Read, Enara Maddumage.

Thanks also to our volunteer umpires, Tayla Petersen, Olivier Roberts, Kushveer, Yvette Stoupe

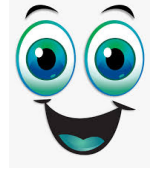

## Writers' Piece

We thank Room 12 for their contributions to this edition.

### The Best Part Of Me

My eyes are the best part of me. They help me to see where I am going. I use my eyes to watch television. I can read books because I have eyes. My eyes are wonderful and I love them.

**Isaac Hart**

My brain is the best part of me. It controls everything in my body. It controls my walking, smelling, walking and eating. It helps me to breathe. My brain is very special. It sends messages to all parts of my body.

**Marcus Diamond**

My mouth is the best part of me because I can eat, bite, chew and talk. It helps me to talk words. My mouth helps me to laugh. Without my mouth I would not be able to sing or shout. I love my mouth. It is the best part of my body.

**Nevaeh Tahafa-Tahiri**

My brain is the best part of me. It helps me to look and breathe. It helps me to move and kick a ball. My brain helps me to spell words. It sends messages to all parts of my body. It is very important to me. I love my brain.

**Zainab Shaguftha**
