2022/26

Dear Parents/Caregivers,

What a term it has been! So many things have happened over the last weeks, it's hard to believe that it's only been one term.

The highlight of the term is without doubt the performances of our Dance Musical,

Dancing Through the Decades

We are all so proud of our pupils for how well they performed, and for the commitment they showed in preparing and presenting. It will go down as one of our best production events.

The term finishes at **3.00pm this Friday 30 September.**

## Writers' Piece

*Thank you to Room 13 for today's edition of pupil writing*

Last week on Thursday night time when we did our production there was a lot of people shouting. It was after Room 3 when we performed on the stage. Ms Allen was holding the curtains and my glasses almost fell. I felt nervous when it was finished. When we finished we were going to keep watching the movie Totoro and then we finished the movie so we watched a movie again.

Last Tuesday we had production and my dad and my mum yelled my name out "Vaydah!". After my dad picked me up from Room 13 then my dad gave me twenty dollars. Something funny was I kept looking at Malia when dancing. When performing my heart was beating really fast.

On Thursday we were a bit late for the performance because we ordered tea. We were slow to get to school. We were on top of the stage for the performance and something funny that happened was my mum yelling "Go Anneka!". It was a little bit embarrassing for me and at the end I was happy.

Last week on Thursday we had a production. First my mum dropped me off at school. Then when everyone was here I was so excited. Then we got called. We had to quickly go and wait in line until it was our turn. When dancing, the person next to me almost made me slip but I didn't slip. When we got back to class we went back to watch the movie. It was fun. Then my mum picked me up from school. I felt so tired.

Last week we had production. I felt a little scared. I was in class the people called us to do the performance. We were waiting and finally we got our turn. I felt excited. I was dancing and my mum and dad were cheering for me. After I walked back to class, I was watching a movie when my dad came to pick me up. I did not want to leave. I went home. I felt tired.
