2022/32

Dear Parents/Caregivers,

We have only **TWO DAYS TO GO UNTIL THE TWILIGHT FESTIVAL**. This is always a tremendous event, with performances, food and drink options, catching up with friends and generally having a great evening.

The weather forecast is for things to clear on Friday afternoon, giving us a fine evening.

We look forward to seeing you on Friday night. The Twilight Festival starts at 5pm.

Please note that this is a **CASH ONLY EVENT**. We are unable to provide EFT-POS facilities.

**Proud to be a major sponsor
of Everglade Primary School.**

CAKE STALL

The cake stall that we run at the Twilight Festival is truly amazing! The reason for this is that you all provide such wonderful and tempting goodies.

We will be having a Cake Stall at the Twilight Festival again. Notices have gone out asking for baking to sell.

A last reminder notice will go out tomorrow.

Knowing how well you have supported this in the past, we thank you in advance for your tremendous support.

In between the long bursts of unfriendly weather, we were able to run the **Senior Athletics** event yesterday. This covered sprint races as well as several 'skill builder' field events. It was a relief to get to the finish before the rain arrived.

Well done to all our pupils for giving everything a real go!

Farewell

After twenty one years at Everglade School, we say **farewell to Mrs Manohar** on Friday.

During her time at Everglade School, Mrs Manohar has mostly worked as a Reading Recovery Teacher, providing pupils with that little extra support needed to get them to a place where they can succeed.

Over the course of the years, you can imagine the number of pupils who have been positively impacted by Mrs Manohar's support. We thank her for her time and effort at Everglade School, and wish her well in retirement.

Leaving?

Every year we have a number of families who move from their current home to a new place. Often this means that your child will go to a new school next year.

If you know that your child won't be coming to Everglade School in 2023, please let us know. You can either call (262 0244) send an email (office@everglade.school.nz) or send a Dojo message to your child's teacher.

The more we know, the better we can plan our classes.

Starting?

If your child is turning five in the early part of 2023 (January to early April) and you haven't made contact yet, please do so. We are only enrolling children who live in zone (our Out of Zone ballot was completed last month) so if you need to check whether you are in zone or not, call us on 262 0244.

To pre-enrol your child, go on our website and follow the tabs. The information comes through to us, and we make contact with you.

Room 11 is our Writer's Piece class this week

Being Sunsmart

Being sunsmart is slapping on some sunscreen. To carefully protect ourselves we have to slip on cool clothes to shield our bodies from the sun's boiling hot rays. We have to save our bodies because we could get dangerously sick. You can be safe by seeking some shade and sliding on some sunglasses. You also have to wear a hat that can cover your head and neck. You have to be sunsmart or else our skin would be damaged and sunburned.

Diwali

Diwali is The Festival of Lights. Indian people make and eat yummy and delicious food. The Festival of Lights is when we light fireworks and they make a loud bang! If you ever see fireworks and it's not Guy Fawkes, now you know that it's the start of Diwali. My family does not celebrate Diwali but my neighbourhood does. If you ever come to my house at night, you'll see beautiful lights and hear loud fireworks. Diwali is in late October or early November.

If I was a bird...

I hop out of my nest and I meet my friend Rayyan at the sea. I got some food for my friend to eat. I flutter quickly so I can catch up to him. I glided and felt the water's breeze on my wings. It was cool as. I was chirping when there were lots of birds! Did you know that birds swoop quickly and speedily? Sometimes I see fast cars looking like ants. I saw a building called the zoo and I saw different kinds of animals there. I live in a nest that is like a mansion.

If I was a bird...

I am a bird. I flap my wings to fly. I glide to see the people. I see tiny people talking and I think they are dolls. I soared into the air. I heard the wind growling. It sounds like it was angry. I don't know why? I love flying. I like the nice air. There was a lot of fog so I went down under and there were people. I was scared of people so I went a little bit up and then I could see much better. I was so hungry that I needed to hunt for food. So I looked for some yummy food. I searched and searched and found it!
